REACH STATEMENT TO IMPORTER

Dear Valued Customer

Please be advised that the **PermaWick Company** has appointed Experien Chemical Services (Europe) Limited (ECS) to act as “Only Representative” as defined by Article 8 of REACH Regulation 1907/2006 for substances contained in the PermaWick products listed below:

1. **Mineral oils**
2. **Synthetic oils**

The PermaWick Company confirms that ECS has been informed of its **EU customers** importing the products listed above, and will provide ECS with details of the quantities exported to the EU. All **EU customers** will be regarded as a downstream user of ECS for the substances subject to registration under REACH in the listed products when imported from **The PermaWick Company**.

We can also confirm that ECS has completed the pre-registration of the substances in the listed products which are subject to registration under REACH.

Any downstream user of these products may wish to confirm this information with ECS. ECS can be contacted at:

Experien Chemical Services (Europe) Limited
73 Kings Road
Harrogate
HG1 5HP
U.K.
Email: support@experienchemicalservices.co.uk

When contacting ECS, please make reference to **PermaWick** and the list of products.

Further information on REACH can be found at the following link:

<http://echa.europa.eu/>

The role of the Only Representative and the implications for importers of substances into the EU is described in the “Guidance on registration” at the following link:
